

forthem.

fostering outreach within European regions, transnational higher education and mobility

**Winter School on Belonging and Non-Belonging in Europe,
Monday 21 – Friday 25 February 2022 at University of Jyväskylä, Finland**

What to expect:

- Lectures and interactive workshops by researchers from all partner universities
- The chance to present and discuss your own paper and receive valuable feedback from Winter School participants
- Visits and short excursions to cultural sites related to the themes of the event (e.g. the position and role of minorities and migrants in Europe; different aspects of diversity, othering, borders, and bordering in Europe; representation and narratives on Europe in (social) media, culture and art)
- Enough time to socialize with all Winter School participants 😊

Who can apply? MA & PhD students as well as interested BA students with a reference letter

How?

- Online application form: <https://www.jyu.fi/en/collaboration/partnerships/forthem/forthem-short-term-mobility>
- CV
- Motivation letter (1 page, including the topic of the presentation to be held during the Winter School)
